

## P&C President's Report 17 March 2015

1. Welcome to my new and old exec members. I am being presumptuous in assuming I will be re-elected. I'm looking forward to working with you to get the job done this year.
2. Class Parent Reps- the majority of classes have a rep. There are seven classes remaining. I will put something in the Creek Weekly asking for reps for those specific classes. I will also notify teachers, so they know who their rep is.
3. Facebook – The School Council has endorsed our request to set up a Facebook page, as long as we meet the Ed Qld regulations. Kristy has written a Facebook proposal. I move that we get it running as soon as possible. As soon as it is set up, we will send a note home to parents.
4. Firework's Night- the meeting for the Firework's night was last week. We discussed:
  - Roles- eg secretary,
  - times- we need information from the rides people to make times.
  - rides -Jubilee suggest \$25 pre-booked tickets and \$30 on the day
  - Twilight markets -we need to contact vendors and get the word out there ASAP,
  - food -to maximise profits we should do the food,
  - early logistics- banners etc
  - Fundraising- minimal fundraising with Kerri-Lee approaching our Local businesses who are keen supporters, our politicians and applying for the \$500 Community grant.
  - Fireworks- it wasn't discussed but information has come in that the very basic firework's package is \$750, next is \$1000 and the top of the range is \$1500. We can upgrade anytime. I suggest we start at the \$1000 mark and see after that.
  - Naming competition- we will run a naming competition to name the Firework's Night.

Having organised the Winter Carnival, I think practically, we will have to divide the Firework's Night into areas and have different people in charge of those areas- perhaps four main areas Twilight Markets, Rides/Fireworks, Logistics and Food including miscellaneous stalls. We found this to be the most efficient way of running the Carnival. I am happy to be the overall co-ordinator. This can be discussed at the next Fireworks meeting.
