

The things you do make
a real difference.

So, why not join our P&C?

The P&C will be invaluable to you.
Through it you can:

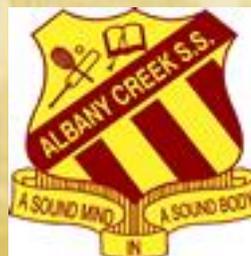

- Find out what is going on in the school and how the various processes work
- Be involved in your child's education
- Raise funds to invest back in to our Campus
- Learn new skills and be part of a dynamic team
- Meet new people!

Volunteers do not necessarily have the time, they have the heart.

The P&C unreservedly recommends ACSS as a supportive and progressive place of learning, which values tradition and genuinely cares for the all-round development of each child.

Our P&C consists of enthusiastic parents, teachers and other interested community members who contribute their ideas and skills to the school in a variety of different ways.

We know that today's families are very busy and, for some families parents are working, but being involved in our P&C doesn't mean you would be taking on a full time job. Our P&C welcomes the skills and abilities that you are able to share, within the time you are comfortably able to provide, and there are many opportunities to get involved both within and outside school hours.

The P&C hold a number of fundraisers each year, some of which include: Markets, Mothers and Father's Day stalls, Raffles, BBQs and Discos.

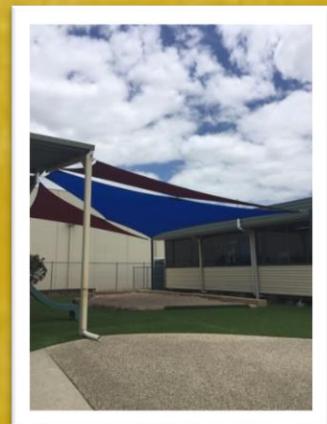

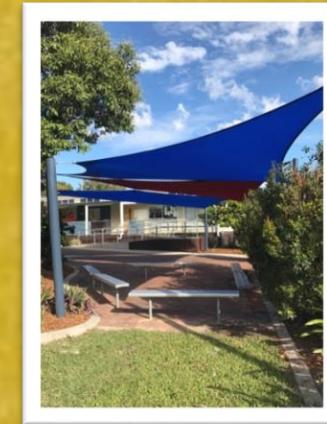

Our Tuckshop and Uniform shop provide an important service for busy families. Open Wed - Fri, from 8:30 am.

Our biennial Winter Carnival, is an exciting, jam packed day of fun, rides, feasting and laughter.

Working within the school's strategic Framework we are currently rolling out a number of initiatives to improve the quality of the learning environment, including a new 'state of the art' prep playground, designed to meet the developmental requirements of this age group, upgrades to the multi-purpose courts and continued curriculum resource support.

The P&C is always working to provide a safe, challenging and rewarding learning environment for every student.
