

31<sup>st</sup> May 2018

Dear Parents/Caregivers

### **BUILDING FUND / FAMILY CONTRIBUTION**

Thank you for enabling us to create a conducive learning environment for our children. As a vibrant School Community, we need to look to the future and to ensure that we maintain the "Albany Creek State School Parents' and Citizens Association Building Fund", so that we are able to deliver new and innovative projects to provide the students with the best possible learning environment.

With the money that you have contributed in the past, the following projects have been completed,

- **Air conditioning of all of the classrooms**
- **Installation of shade sails within the school grounds to provide safe areas for children to utilize during breaks.**

These major achievements would not have been possible without your continued support.

The following projects have secured the endorsement of the ACSS Leadership Team, the approval of ACSS Parents' and Citizens' Association and the endorsement of the Albany Creek School Council.

- **Replacement of the second Prep playground**
- **Renovation of the Tuckshop**

As the end of the financial year approaches, we invite and encourage you to make a donation to the School Building Fund and to consider utilising the Tax Deduction option. All donations to the School Building Fund of \$2.00 or more are Tax Deductible. A receipt will be issued for each donation.

There are five payment options:

- **Flexi-Schools (Preferred Method)**
- **Cash, cheque, credit card and direct deposit.**

If you are able to support this initiative (and wish to pay other than by Flexi-Schools), please include the return section of this correspondence with your donation for receipt purposes. Donations made through Flexi-Schools will automatically receive an emailed receipt.

Donations need to be made to the Parents' and Citizens' Association before June 30, 2018 to be eligible for a tax deduction for the 2018 financial year, but please remember donations to the Building Fund can be made at any time throughout the year.

While each project identified is expensive, it does not lessen our enthusiasm to enhance our built environment. We are determined to provide the very best resources for the students. With your financial support these strategic goals and many others will be realised sooner than expected and your children will have greater opportunities to reap the benefits from our commitment.

If you would like to know more about the Voluntary Contribution Scheme, the Tax Deductible Building Fund or the projects listed for development, please do not hesitate to contact the P&C Association on [pandc@albacreess.eq.edu.au](mailto:pandc@albacreess.eq.edu.au).

Yours sincerely

Danielle Lead  
Treasurer, Albany Creek State School P&C Association
