PART 2 – Albany Creek Curriculum Activity Books

COMPLETE IN 2017 via FLEXISCHOOLS (Letter will be sent home early in 2017) **All students will require these books in 2017.** These books replace commercial textbooks and are an essential component of daily classroom practice. It is vital that each and every student has these activity books so that they can complete the high quality lessons prepared and delivered by our teachers. Cost in 2017 will be \$25 for the school year per student as it has been for a number of years.

Your support of both **Part 1 now and Part 2 in 2017** will ensure that your children will have all of the necessary book and stationery requirements.

Please do not hesitate to contact the school if you require clarification of the ordering processes. We are striving to increase significantly the percentage of families who are availing themselves of these services. The commission the P&C receives as an outcome of your support is returned to the school for the purchase of curriculum resources.
