## Living History Australia

Dear Parents,

As part of our History Curriculum the year 5 children will be taking part in a performance by "Living History Australia" on Thursday the 16<sup>th</sup> November. This performance will be conducted at school and will run for a half day.

The performance includes many of the topics Year 5 has investigated in History this year, including the Gold Rush era. It is an interactive show where the students become involved in the performance and the information being conveyed.

The total cost of this performance is \$8.50 per student. All monies and permission slip should be placed in an envelope marked "Living History" with name and class and returned to the office. You can also pay via QParents.
